

Advance your education with Clarkson College

Our Proud Partnership

As the hospital-affiliated educational partner, Clarkson College has a long-standing and proud educational history with Nebraska Medicine. For more than a century, we have stood strong together and worked toward a common goal of providing high quality health care.

Our partnership extends to the employees of Nebraska Medicine with benefits including a special tuition rate, travel abroad experiences, preceptorship and clinical opportunities, online academic programs, and professional development courses.

Tuition discount rates are available for Nebraska Medicine employees as well as their spouses and dependents.

- Discount rate for undergraduate courses: 35%
- Discount rate for MSN & MHA graduate courses: 35%
- Discount rate for DNP & Ed.D. graduate courses: 17%

Defer Tuition and Fee Payment with Nebraska Medicine Tuition Reimbursement

Employees of Nebraska Medicine may also apply for the Clarkson Option Payment Plan – Employer Reimbursement (COPPER) if they qualify for tuition reimbursement. This form allows students to defer their tuition and fee payment until two weeks after grades become available.

Eligibility

Employees, their spouses or dependents (age 23 or younger) of Clarkson College, Nebraska Medicine (NMC, Bellevue), OrthoNebraska and Community Hospital Association, Inc. (Fairfax) may receive the partnership tuition rate, if all other eligibility criteria are met. Private practice physicians who are on the active medical staff of these same hospitals; their spouses or dependents (age 23 or younger) may receive the partnership tuition rate, if all other eligibility criteria are met.
