Associate of Science in Radiologic Technology & Bachelor of Science in Medical Imaging

Clarkson College accepts transfer credit from Northeast. The articulation agreement shows how courses completed at Northeast may be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.
