Associate of Science in Physical Therapist Assistant

Clarkson College accepts transfer credit from Western Nebraska Community College. The articulation agreement shows how courses completed at Western Nebraska Community College may be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

Western Nebraska Community College			Clarkson College
