

BSN-Doctor of Nursing Practice DNP Hours Table Adult-Gerontology Primary Care Nurse Practitioner

Directions: Type your information into the appropriate box.

Student Name: _____ **Date of Checkpoint 1** _____ **End of 2nd Semester** _____

Entry Semester: _____ **Date of Checkpoint 2** _____ **End of 5th Semester** _____

Directions:

Record each DNP experience, activity, and/or event on this table. If you complete more than 1 activity for an outcome, insert a row below the first row for the outcome and type the information for the second and/or subsequent events or activities there.

DNP End-of-Program Student Learning Outcomes	Type of Activity (e.g., webinar, professional meeting)	Evidence (e.g., CE certificate, email)	Date & No. Hours
1. Integrate nursing science and theories to improve health care delivery systems, describe the actions and strategies to improve those health care systems, and evaluate patient outcomes in preparation for evolving nursing practice realities. **Critical Thinking & Technology must be displayed in the evidence.			
NONPF Professional Role Competencies			
1.1 Critically analyzes data and evidence for improving advanced nursing practice.
