

4TH ANNUAL

Heartland Interprofessional Education Conference

Elevating IPE: Bridging Clinical and Community

Thursday, July 21–Friday, July 22, 2022

All sessions will take place via Zoom

This year’s theme of “Elevating IPE: Bridging Clinical and Community” brings together health care and community professionals, educators and students to share knowledge and build skills to improve patient and client outcomes. Join us for this valuable conversation so we can learn from diverse perspectives and experiences.
