

Records Retention

Policy

Clarkson College Nurse Anesthesia Program will maintain complete and accurate records in a readily retrievable format. This data will be available to on-site reviewers to demonstrate that all components of a comprehensive evaluation plan are being implemented and the program is complying with accreditation standards, policies and procedures. Beyond this program policy, the college record retention policy will be followed.

Procedure

1. The program will maintain accurate cumulative records
 - a. All student academic records will be retained and securely kept in the Nurse Anesthesia Program offices until the student passes the National Certification Examination.
 - b. At that time all records that should be kept indefinitely may be transferred to the Registrar's Office. These files include any records that may relate to grievances, litigation, final case records, summative student evaluations, and National Board on the Certification and Recertification of Nurse Anesthetists (NBCRNA) transcripts.
2. The program will assure that the following information is maintained and available:
 - a. Philosophy, program objectives, and master schedules
 - b. Organizational charts
 - c. Administrative policies
 - d. Budget data
 - e. Committee meeting minutes of the preceding three years
 - f. Clinical site demographics and case experiences
 - g. Current course outlines and objectives and any student brochures
 - h. Examinations and testing materials
 - i. Faculty teaching and time commitment data
 - j. Alumni evaluations of the program quality for the preceding three years
 - k. Employer evaluations of the program quality for the preceding three years
 - l. All COA decision letters and formal correspondence sent to the program since the time of its last accreditation review.
 - m. Student and faculty evaluations of the program conducted by COA, including those collected at the midpoint of the programs accreditation cycle and prior to its current accreditation review.
