

Academic Plan

Bachelor of Science Degree in Community Health: Community-Based Track

Official Degree Plan, Effective Fall 2023

Student Name _____ ID # _____ Date _____

_____ Conditional _____ New Student Experience _____ Traditional _____ Post-Associate _____ Post-Bachelor's

Traditional Degree students are required to complete general courses and major courses, in addition to four of five concentration areas offered.

Post-Associate and Post-Bachelor's Degree students may receive 60 direct transfer credits for general courses and a portion of concentration courses if their degree was received from an accredited institution. Students must take ONE of the five concentration areas plus 6 additional elective credits from any remaining community health concentration. All Core courses must be taken at Clarkson College. If a student received previous credit for a course as part of their Associate or Bachelor's Degree, then an additional concentration elective course will be substituted to maintain 122 total credits.

New Student Experience Requirement: New Student Experience is designed to assist students with information and skills to be successful at Clarkson College. All incoming undergraduate students who meet one of the following criteria are required to take GEN 101 Strategies for Success.

1. Students that graduated high school within one (1) year of their start date
2. Students that bring in less than 15 hours of transferrable credit

Students who have graduated from an accredited institution of higher education are exempt.

Conditional Acceptance: Students under conditional admission status, regardless of the BSCH degree track, must successfully complete GEN 101 Strategies for Success during their first semester.
