

Paying Tribute to a Loved One

Heritage Garden Walk

Paving the Future

Each year, members of the Clarkson College community gather in the Courtyard in commemoration of the Heritage Garden Walk. This event provides alumni, employees and students the opportunity to create a memorial for a loved one through the purchase of an engraved brick or amphitheater seat in the Clarkson Service League Heritage Garden. The funds received through this unique giving opportunity are applied to the Alumni Association Scholarship Fund as a means to help pave the way for deserving Clarkson College students.
