REVIEW, INVESTIGATION, AND RESOLUTION
The Title IX Coordinator will assist any Complainant (alleged victim) or Respondent (alleged offender) in understanding the complaint process outlined in this policy. If an investigation is warranted, an investigator will be appointed by the Title IX Coordinator. If an investigation is not warranted, the Title IX Coordinator will inform both parties of their right to appeal.

- Complaints against students will either be resolved under the informal or formal resolution processes outlined in the policy (The informal resolution is not an option for allegations of sexual assault or sexual violence).
- Complaints against employees will be handled by the Human Resource Department.
- The Title IX Coordinator will assist with: academic, housing, or other interim accommodations; referrals and other needed support.
- A no contact directive may be issued in writing to persons involved in the investigation.
