

Articulation Agreement

Northeast Community College Nebraska

Associate of Science in Radiologic Technology & Bachelor of Science in Medical Imaging

Effective Fall 2016

Clarkson College accepts transfer credit from Northeast Community College. The articulation agreement shows how courses completed at Northeast Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C-" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

All courses are also offered at Clarkson College and are not necessary for admission.
