Criminal Background Check & Drug Screening

Drug & Alcohol Screening
Drug and alcohol screenings may be required of students as a condition of eligibility to participate in theory, laboratory, clinical, practicum classes, college activities or campus housing. Testing positive on a drug screening will result in consequences that will vary, depending on the level of severity and the need for additional treatment. At the very least, the student will be unable to attend a clinical or field site until cleared to do so. Other potential consequences may include suspension or expulsion.

Criminal Background Check
Prior conviction of a felony of certain misdemeanors, other than minor traffic offenses, may make a student ineligible to participate in various clinical experiences and possibly make it impossible for a student to complete the scheduled program of study. Additionally, prior conviction of a felony or misdemeanor may make the individual ineligible for the professional licensure, professional certification or professional registration, dependent upon the specific regulations of individual health professions and state of practice.

Have you ever been convicted of a misdemeanor or felony? □ No □ Yes  If yes, provide a detailed explanation (all offenses, dates, location of courts and outcomes) on a separate sheet of paper.
Convictions or charges resulting in any of the following must be reported: plea of guilty, plea of nolo contendere (no contest), withheld or deferred adjudication, suspended or stay of sentence, and/or military or court martial. Misdemeanor charges or convictions that occurred while a juvenile and that were processed through the juvenile court system are not required to be reported. Misdemeanor speeding convictions are not required to be reported unless they are related to alcohol or drug use.
